RE: **June 29, 2011 BRC Meeting – Agenda Item No. 5:**  
**Consideration of Plan S1 – LACBOS-AfricanAmerican**

To assist the Committee in its review of proposed redistricting plans, the following is a summary of the proposed Plan S1 – LACBOS-AfricanAmerican submitted by Jackie Dupont-Walker, Tunua Thrash and Marqueece Harris-Dawson. The following organizations are listed on this plan: Ward AME EDC District 5, West Angeles CDC and the Community Coalition.

**1. Plan Summary:** This plan does not use the County's Redistricting software and does not use the County's Redistricting Data Units (RDUs). The analysis of this submission was performed by correlating census block information with the County's RDUs and thereafter approximating the available data. This plan proposes to reassign 1003 redistricting units (RDUs) which make up 129 whole or partial communities. The moves of these areas are summarized on pages 6-8, and are further detailed on pages 14-25 of the *Report on Proposed Redistricting Plan – S1*. The relevant summary pages (Pages 6-8) are included here as Attachment 1.

**2. Population Deviation:** The total population deviation in the proposed plan is 0.57%.

**3. Number of People Moved:** This plan reassigns 3,350,488 people among the five districts. The total population moved to and from each district, is summarized on page 13 of the *Report on Proposed Redistricting Plan – S1*. The relevant page is included here as Attachment 2.

**4. Deferred/Advanced Voting:** County supervisors are elected to staggered four-year terms. The First and Third Districts elect supervisors at each general election at which the Governor is to be elected (i.e. 2010, 2014, 2018). The Second, Fourth and Fifth Districts elect supervisors at each election which the President appears on the ballot (i.e. 2008, 2012, 2016, etc.). Countywide, 21.9% of constituents in the County will be affected by deferral or advancement under this proposed plan. A table containing deferral and advancement information is included here as Attachment 3 and is summarized below.

*Advancement*

Voters who will be reassigned from the First and Third Districts into the Second, Fourth or Fifth Districts, will have an opportunity to vote for a County supervisor twice in four (4) years (2010, 2012), thus advancing their right to vote for a supervisor.

In the Benchmark First District, 948,628 constituents will be reassigned to either the Second, Fourth or Fifth Districts. As a result of this proposed plan, 50.1% of all constituents, 54.5% of the citizen voting age population (CVAP), and 53.1% of registered voters in the Benchmark First District are advanced.

In the Benchmark Third District, 92,831 constituents will be reassigned to either the Second, Fourth or Fifth Districts. As a result of this proposed plan, 4.7% of all constituents, 4.5% of the CVAP, and 4.4% of registered voters in the Benchmark Third District are advanced.

*Deferment*

Voters who will be reassigned from the Second, Fourth and Fifth Districts into the First and Third Districts, will not have the opportunity to vote for a County supervisor until 2014. For those reassigned voters, six (6) years will have passed since they last had the opportunity to vote for a supervisor.

In the Benchmark Second District, 43,916 constituents will be reassigned to either the First or Third Districts. As a result of this proposed plan, 2.3% of all constituents, 2.9% of the CVAP, and 2.6% of registered voters in the Benchmark Second District are deferred.

In the Benchmark Fourth District, 925,450 constituents will be reassigned to either the First or Third Districts. As a result of this proposed plan, 48.2% of all constituents, 50.7% of the CVAP, and 52.0% of registered voters in the Benchmark Fourth District are deferred.

In the Benchmark Fifth District, 135,980 constituents will be reassigned to either the First or Third Districts. As a result of this proposed plan, 6.5% of all constituents, 6.8% of the CVAP, and 6.9% of registered voters in the Benchmark Fifth District are deferred.

**5. Citizen Voting Age Population (CVAP):** The CVAP information per district is summarized on page 39 of the *Report on Proposed Redistricting Plan – S1*. The relevant page is included here as Attachment 4.

**6. Incumbency:** This plan does not appear to displace any supervisor from his/her district.

**7. Contiguity/Compactness:** All five supervisorial districts appear contiguous and are reasonably compact.

**8. City/Community Splits:** The following cities/communities that are newly split as a result of this plan are:

**NOTES:**

1. The data source for the percentages of the voting age citizen population by Race/Ethnicity in this table is the American Community Survey (ACS). The ACS is an ongoing statistical survey by the U.S. Census Bureau, sent to approximately 250,000 addresses monthly (or 3 million per year). ACS estimates are based on data collected from January 1, 2005 to December 31, 2009, and are not 2010 Census data. The percentages of the voting age citizen population by Race/Ethnicity from the ACS were applied to the 2010 Census counts of the voting age population at the census block level to obtain estimates of the voting age citizen population by Race/Ethnicity as of April 1, 2010.
2. The **Voting Age Citizen** column depicts each citizen, age 18 and older, being counted only once - even multi-race persons.
3. The Department of Justice defined a set of 8 exclusive race/ethnicity population categories; persons are counted once in their applicable DOJ category.
4. The **COUNT** columns contain voting age citizen population totals for each district, and for DOJ categories within each district.
5. The **%** columns contain voting age citizen population percentages for each DOJ category within each district. TIP: Read these percentages across.
6. American Indian population includes Alaska Native; Pacific Islander population includes Native Hawaiian.
